## Off Track

BETH TAYLOR LEADS US IN WORSHIP SUNDAY

It's easy to get off track when we aren't paying attention. At some point we realize we didn't intend to be where we are. God provides the way back into alignment with God's purpose for our lives. Are we listening?

Why Don't They Get It?  
Overcoming Bias in Others  
(and yourself)

E-book by Brian McLaren

I would like to rise  
very high, Lord  
Above my city, my  
world, above time  
I would like to purify  
my glance and  
borrow your eyes.

From the book PRAYERS  
by Michel Quoist

## Adult Summer Education Begins this Sunday

### Overcoming Bias

July 12 at 9:45 am

Wow, what a prayer. We with our biased eyes that see only partially, narrowly, narcissistically. Small wonder the world is so divided and angry. It need not be that way.

Summer Adult Education begins Sunday, July 11, in person, face to face in the beautiful Fellowship Hall at 9:45a.m. We'll use a little book by Brian McClaren, WHY DON'T THEY GET IT, as a basis for looking at our own biases, and how to move beyond them. You are invited to read the introduction and the chapter on confirmation bias prior to our discussion.

Please join us on the lower level of the building in the Fellowship Hall. Class participants will be seated at round tables for group discussion. Masks are optional for class participants.

We know that not everyone is comfortable joining us on campus and would prefer to participate from home. If you are unable to attend in person, you can access the class via Zoom. Please click here to register and receive the Zoom login information.

KING OF GLORY

Our bass choral scholar Micah Krajca is thrilled to join the King of Glory family in July! Micah completed his undergraduate degree in Music Education and Vocal Performance at Texas A&M University Commerce. He is the associate director of the Wolfpack choir (Plano West Senior HS), a new member of the Dallas Symphony Chorus, and a proud doggy dad! Welcome, Micah!
