

KING OF
GLORY
LUTHERAN
CHURCH

The mission of King of Glory is
to boldly share the grace of God with the world.

We live out three Grace-driven values and invite
all to experience the joy of being
GROUNDED in love,
GROWING in faith, and
GENEROUS in service and giving.

THE JOY OF LIVING IN
GENEROSITY
KING OF GLORY LUTHERAN CHURCH

Prioritized by our leaders, your donated funds will be vital
to the future ministry of King of Glory. Thank you for being
a part of God's Miracle of Abundance and Generosity!

A Pledge/Donation Card and envelope for

Miracle Offering Sunday Donation are enclosed.

You can also give your one-time Miracle Offering on line
and/or pledge to give an amount over several months.

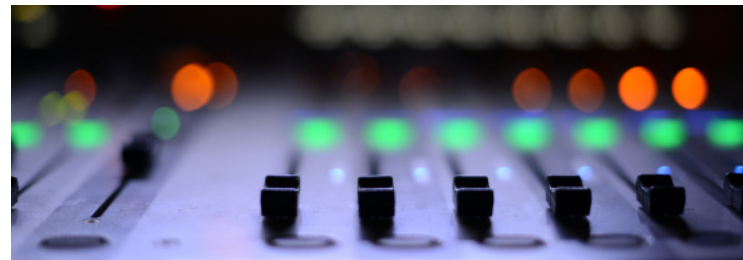

*In what ways will we choose to live out our mission
in alignment with our core values?*

At our best, churches are “schools of love” where we become kinder and more loving people. It’s from there that we create a kinder and more loving world. Any strategy we design for our future must hold this vision at the heart.

VISION IMPLEMENTATION

Cost: \$40,000

To assure that our vision work will be implemented with specific objectives, responsibilities, timelines and outcomes, Council has contracted to work in partnership with a highly recognized and recommended Strategic Vision Planning Consulting group, CONVERGENCE. The Rev. Dr. Cameron Trimble, one of the leading consultants and creative minds in the arena of future planning for churches in America, will be leading the effort in partnership with KOG leaders as well as with our new Senior/Lead Pastor in this process when she/he arrives.

SANCTUARY AUDIO/VISUAL & LIGHTING IMPROVEMENTS

King Of Glory must be a welcoming community of believers both on site and online. During this past year our online capabilities helped us navigate a difficult period, however, we discovered that we were severely behind in technology. If we want worshipers to experience meaningful worship regardless of their location, it is critical we upgrade our technology.

- 5-6 new cameras
- Ambient and choir microphones,
- Lighting upgrades on the Chancel and in the Balcony
- Light switching/controls upgrades

Estimated Cost: \$110,000*

37% of Americans who rarely or never attend church, practice faith in other ways.

CAMPUS WIDE AUDIO/VISUAL IMPROVEMENTS

A King of Glory Online Ministry is our second campus; and a second campus offers more than Sunday worship. Just as we have always prioritized on-site activities and choices for learning that help us grow in faith, we must also work to provide these same opportunities for our growing online community. With investments like this, our education program can teach faith in Christ and reveal the love of God in Christ in ways that can be heard by a diverse population.

- Audio/visual upgrades to include installation of New Smart TV flat screen monitors in LL17, LL18, 116 (Liv. Rm), & 216 (Conference Rm).

Estimated Cost: \$15,200

* Cost to complete AVL improvements in the Sanctuary above the approximate \$80,000 currently designated for this scope.

LANDSCAPING AND TOWER RESTORATION

- The lawn south of the Atrium, the northeast parking lot, the north Narthex entry, the northwest corner, and the driveway to Ridgeview Cr.
- Restore Cross Tower structure and lighting

Estimated Cost: \$145,000

Beautiful, well-tended landscape and outside structures create a welcoming curb appeal that draws visitors to the front door.

JUNIOR HIGH/SENIOR HIGH YOUTH ROOMS

The statistics of young adults leaving the church is staggering. However, we also know that belonging to a church youth group makes a positive, long-term difference in their lives. A youth ministry provides: role models and mentors that reinforce the spiritual truth they are learning from you; a much needed community for teens; a place where teens can invite non-churched friends and a place where they can wrestle through theology and have it reinforced in a powerful and personal way. Our existing youth rooms have outdated technology and furnishings. Investing in our youth ministry is one of the most important objectives our congregation can have. It says **we believe our youth are valuable members of this community.**

- New furniture & appliances
- Wall and door reconfiguration
- Audio/visual upgrades
- Smart TV flat screen monitors
- Sound system
- New finishes (carpet, paint, sound attenuation)
- New lighting

Estimated Cost: \$300,000

55% of parents generally consider involvement in youth group to be of equal importance to extracurricular activities and 30% say it is more important.

CHILDREN’S AREAS/PLAYGROUND UPGRADES

When churches invest in thoughtful, creative and appealing children’s spaces, they show that their **Children’s Ministry is important.** A fun and engaging space, enhanced security and a safe and inclusive playground are tools for reaching the hearts and minds of children. Families are an important part of the present and future of King of Glory and investing in our children’s areas is vital to supporting this growing ministry.

Renovation of existing Level 1 and Level 2 corridor areas, including the west stairwell, to better define this ministry within the building.

- Controlled access doors in hallways at Lv 1 and Lv 2
- Security upgrades
- Check-in Kiosks
- New finishes (carpet, paint)
- Branding (decorative graphics)
- Lighting upgrades

Estimated Cost: \$65,000

66% of adults who attend church say that a strong children’s ministry is very important to them.

PLAYGROUND

Complete renovation of the existing playground

- Upgraded drainage
- New play surface (turf/concrete)
- New inclusive play equipment appropriate for 2-5 year old children

Estimated Cost: \$100,000
