

FINALLY! It is finally time to restart and renew the ministries of the church that, prior to Covid, made us such a vibrant and friendly place to worship, love one another, and boldly share the grace of God. We, as KOG, are all part of this community – all a part of this body. As the Apostle Paul knew, all members of the body have a role to play in a healthy being. We are not meant to sit on the sidelines. We are meant to give of our gifts for the good of the body.

The upcoming Ministry Market is meant to help you identify how you can make a difference in the life of our community. Please prayerfully take time to look through the many opportunities below find your place to help our ministries flourish.
